The price includes delivery of personal dosimeters with an addressed return envelope and delivery of the dose assessment result.

The price for dose monitoring does not include return postage.

All prices are stated in Danish kroner, excluding VAT.

---

<sup>i</sup> The price is determined on the basis of the measurement period start date as per the enclosed delivery note.

<sup>ii</sup> For damaged / not returned personal dosimeters, a replacement amount for the missing reusable dosimeter will be charged in addition to the basic price. The date of the last timely return of the dosimeter is decisive for pricing.

<sup>iii</sup> Dosimeters are dispatched by express delivery within 48 hours after confirmation of receipt of the express dispatch order. The fee covers only the express dispatch of the order, plus the cost of the personal dosimeters ordered.

<sup>iv</sup> A charge is levied for the receipt of under-franked consignments of personal dosimeters, see delivery conditions.
