

Characteristics of studies

Characteristics of excluded studies

Agger 2017

Reason for exclusion	Wrong patient population
----------------------	--------------------------

Ang 2010

Reason for exclusion	Wrong intervention
----------------------	--------------------

Aurilio 2015

Reason for exclusion	Wrong patient population
----------------------	--------------------------

Beard 2010

Reason for exclusion	Wrong intervention
----------------------	--------------------

Beard 2011

Reason for exclusion	Wrong outcomes
----------------------	----------------

Braz 2013

Reason for exclusion	Wrong intervention
----------------------	--------------------

Calandre 2014

Reason for exclusion	Wrong study design
----------------------	--------------------

Cao 2010

Reason for exclusion	Wrong intervention
----------------------	--------------------

Cao 2013

Reason for exclusion	Wrong intervention
----------------------	--------------------

Choy 2010

Reason for exclusion	Wrong intervention
----------------------	--------------------

Choy 2011

Reason for exclusion	Wrong study design
----------------------	--------------------

DeSouzaNascimento 2013

Reason for exclusion	Wrong intervention
----------------------	--------------------

deZanette 2014

Reason for exclusion	Wrong intervention
----------------------	--------------------

Fitzcharles 2016

Reason for exclusion	Wrong intervention
----------------------	--------------------

Hauser 2010

Reason for exclusion	Wrong study design
----------------------	--------------------

Hauser 2011

Reason for exclusion	Wrong study design
----------------------	--------------------

Hauser 2013

Reason for exclusion	Wrong study design
----------------------	--------------------

Hauser 2014

Reason for exclusion	Wrong study design
----------------------	--------------------

Konuk 2010

Reason for exclusion	Wrong study design
----------------------	--------------------

Lloyd 2010

Reason for exclusion	Wrong intervention
----------------------	--------------------

Lloyd 2012

Reason for exclusion	Wrong intervention
----------------------	--------------------

Martin 2012

Reason for exclusion	Wrong intervention
----------------------	--------------------

Martin 2014

Reason for exclusion	Wrong intervention
----------------------	--------------------

Martin 2014a

Reason for exclusion	Wrong intervention
----------------------	--------------------

Menzies 2017

Reason for exclusion	Wrong intervention
----------------------	--------------------

Mian 2013

Reason for exclusion	Wrong study design
----------------------	--------------------

Miki 2016

Reason for exclusion	Wrong intervention
----------------------	--------------------

Moore 2012

Reason for exclusion	Wrong patient population
----------------------	--------------------------

Moore 2015

Reason for exclusion	Wrong study design
----------------------	--------------------

Moore 2015a

Reason for exclusion	Wrong patient population
----------------------	--------------------------

Nuesch 2013

Reason for exclusion	Wrong study design
----------------------	--------------------

Papadopoulou 2016

Reason for exclusion	Wrong study design
----------------------	--------------------

Perrot 2014

Reason for exclusion	Wrong study design
----------------------	--------------------

Ramzy 2017

Reason for exclusion	Wrong intervention
----------------------	--------------------

Rico Villademoros 2015

Reason for exclusion	Wrong study design
----------------------	--------------------

Rico Villademoros 2014

Reason for exclusion	Wrong intervention
----------------------	--------------------

Riediger 2017

Reason for exclusion	Wrong patient population
----------------------	--------------------------

Roskell 2011

Reason for exclusion	Wrong study design
----------------------	--------------------

Sommer 2014

Reason for exclusion	Wrong study design
----------------------	--------------------

Sommer 2017

Reason for exclusion	language
----------------------	----------

Walitt 2016

Reason for exclusion	Wrong intervention
----------------------	--------------------

Wang 2013

Reason for exclusion	Wrong intervention
----------------------	--------------------

Ware 2010

Reason for exclusion	Wrong intervention
----------------------	--------------------

Watson 2011

Reason for exclusion	Wrong intervention
----------------------	--------------------
